REPORT OF SCHOLASTIC AND CO-SCHOLASTIC ACTIVITIES: JUNE, JULY & AUGUST 2018

Dear Parents,

Greetings from ELPS

It is important for all the educators to be up-to-date with today’s needs and to make every child to think independently, creatively to bring out what one child can do innovatively. Creativity, critical thinking, problem-solving and adaptability are the skills required for a child to be different to cope up with the coming generation. The development of these skills is possible only in an active, free and interactive environment.
